Providence Medical Institute Selects PivotHealth for Management Contract

(Nashville, Tenn., October 27, 2010)—PivotHealth, a premier provider of physician practice management and consulting services based in Nashville, Tenn., announced today that they have been selected by Providence Medical Institute (PMI), a California nonprofit public benefit corporation, to provide executive leadership and management services to PMI and the health system's affiliated physician practices. The multi-year services engagement is intended to enhance the performance of the enterprise and foster a culture of quality and success, building upon the successes of the Providence Health System.

"Providence Medical Institute is an outstanding organization, committed and well positioned to serve its patients and families with the highest standards of care. We welcome the opportunity to work with the quality physicians affiliated with PMI," said Mike McClintock, President of PivotHealth. "We are honored to be a part of the continued growth and success of their physician enterprise and look forward to working collaboratively to grow and strengthen the organization."

About Providence Medical Institute

Providence Medical Institute is a California nonprofit public benefit corporation and is an affiliate of the Providence Health System of Southern California. Providence Health System is committed to providing a comprehensive array of health services to meet the needs of communities across five states, including Alaska, Washington, Montana, Oregon and California. Spanning more than 150 years of service to its communities, Providence Health System includes 27 hospitals, more than 35 non-acute facilities, physician clinics, a health plan, a liberal arts university, a high school, approximately 49,000 employees and numerous other health, housing and educational services.

About PivotHealth
